CARRYMORE TUGGER CART DEMO PROGRAM

The best Tugger Cart system on the market is now available for demos to the Ontario market. The process is simple, if you require lean manufacturing improvement and are considering a cart system then contact King today! Our demo program allows you to trial the Jtec CarryMore® Tugger Carts at your plant for 2-3 business days. Users will learn what hundreds of the world's top manufacturers already have, get rid of the forklift and switch to carts.
